I have had 2 visits in the last 2 weeks. firstly to rectify a filing which had come out & secondly for the same as the filing came out again. It now seems that the new filing has taken. I am an NHS patient.

Reception staff & the dentist I saw on both occasions were friendly & professional, & gave me a range of options for treatment. I was not charged for the filing replacement.

It is good to see the same dentist & which must be for about the last 5 or 6 visits.

Overall I am very happy to use Diamond Dental Care.
